## Doug & Sally Johnson

Pickstown, SD

Pickstown is found 5 minutes from the Missouri River, Frances Chase Lake, Ft Randal Dam, Randal Creek State Recreational area and North Point State Recreation area with State and private camping, native population with Marty Indian school and scattered native housing in the area. Good year around hunting and fishing, water sports and boating as well as a beautiful 9-hole golf course. The town of 235 residents either work in nearby towns, or are farmers, ranchers, retired or active School Superintendents, teachers, nurses, weekenders, seasonal residents or retired and enjoy this quiet little town.

## Prayer Requests

- Pray as we face the inherent challenges of a recreation community that swells seasonally. Our heart is to see this church gain a passion for the lost. We are grateful for a board who values prayer and is steady as the church struggles in numbers and finances.
- We pray that our involvement in the local fire department, our outreach with kids Bible clubs and time spent in community activities will bring the result God desires in our church and community. We hope for growth in ministry to families, singles, and adults. Our church theme: Hebrews 6:19 “In Christ Our Anchor Holds.”
