This Week's Village Missionaries:

Village Missions

Noble & Megan Weeks

Arago, OR

Arago is nestled into the beautiful Coquille Valley on the Southern Oregon coast. We enjoy a pastoral setting amidst fields where dairy farms once flourished and logging was king of the hills. Echoes of both industries can still be found but like many small towns before us, Arago is known for what it had been, and not what it is today.

Prayer Requests

- All who have donned a face mask know God has thrown us a curveball. After missing a few curves that flew over the plate we looked up and prayed for better timing. In His grace God has not disappointed. One-on-one discipleship has been booming — case in point — with school going virtual the kids who thrived in shop class have found themselves to be the odd ones out. Lord, how can we turn idle hands productive? Answer - we went to the junkyard, acquired an inoperable (and a little bit rusty) lathe and milling machine and the Arago Shop class began with our first project —restoration work! The machines have roared to life and the next generation is experiencing God's provision for the materials we need to keep productive. Please pray with us for wisdom to see where God is at and meet Him there.

Village Missions Open Field Spotlight

Chesaw, WA: Please pray for Chesaw Community Bible Church as they patiently wait for a full-time Village Missionary family. Also pray for the 21 churches in the U.S. & Canada that are also waiting for their Village Missionary family.
